

## Recurring Credit Card Payment Authorization

### How Recurring Payments Work

You authorize regularly scheduled charges to your credit card on file. You will be charged each billing period, or as fees occur, for the total amount due. A receipt will be emailed to you and the charge will appear on your credit card statement. You agree that no prior-notification will be provided.

You may cancel this automatic billing at any time by calling (208) 639-7764.
